

Conflict of Interest Form

A conflict of interest must be declared when you have a private, personal or business interest that has the potential to influence your objective professional judgement and/or your duties as a MITO Registered Assessor.

If you are unsure of what may constitute a conflict of interest, contact MITO at mito.assessors@mito.org.nz.

Declared conflicts of interest will be evaluated by MITO and you will be informed of the outcome.

If in any doubt, you should record an actual or perceived conflict of interest.
