

Accelerate your career with a nationally recognised qualification!

## Get qualified with MITO

Prepare yourself for a career as an Automotive Refinisher with MITO's Refinishing programme.

Developed with I-CAR NZ and endorsed by the Collision Repair Association, this eLearning programme is designed for those interested in learning the skills and knowledge to repair paintwork on damaged vehicles and make them look as good as new!

## Gain a national qualification

Choose to complete one or both of the following qualifications:

- New Zealand Certificate in Collision Repair and Automotive Refinishing (Level 3)
- New Zealand Certificate in Automotive Refinishing (Level 4).

It is expected to take 3½ years to complete both programmes.

Designed by industry, for industry.

### **Programme outline**

The unit standards within this qualification will ensure that you are able to prepare, restore, and finish painted vehicle surfaces. These skills can then be applied to range of jobs, from repairing damaged paintwork to simply adding some cosmetic enhancement.

### **A blended approach to learning**

Practical and eLearning training resources support a range of learning styles, making it enjoyable and easier to learn. You can also expect a combination of workplace learning, off-job training and self-motivated online study.

Support will be provided by your MITO Industry Training Advisor, workplace supervisor, and specialist trainers.

### **Training fee**

An annual training fee may apply, please visit [www.mito.org.nz/fees-free](http://www.mito.org.nz/fees-free) or contact MITO for details.

### **Sign me up!**

If you are currently employed in the industry and your employer is able to support you, contact MITO to get primed for a career as an Automotive Refinisher.
