

# Goods Service Heavy Vehicle Driver/Senior Driver

Accelerate your career with a nationally recognised qualification!

## Get qualified with MITO

Whether you're new to the job or know the roads like the back of your hand, MITO's Goods Service qualifications will take your career further.

These programmes are designed for people working in the road freight sector driving goods service vehicles. The Heavy Vehicle Driver programme provides the skills to drive larger trucks (Class 4 or Class 5) and the Senior Driver programme is designed for experienced truck drivers to fulfil a senior driver or training role within a transport organisation.

## A choice of qualifications

- The National Certificate in Goods Service (Heavy Vehicle Driver) (Level 3) with strands in either Heavy Rigid Vehicle (Level 3) or Heavy Combination Vehicle (Level 3) takes 10 months to complete.
- The National Certificate in Commercial Road Transport (Goods Service Senior Driver) (Level 4) takes 15 months to complete.

Designed by industry, for industry.

### Programme outline

The National Certificate in Goods Service (Heavy Vehicle Driver) (Level 3) enables you to:

- Safely drive either a Heavy Rigid (Class 4) or Heavy Combination (Class 5) vehicle (dependent on the strand you select)
- Identify and respond to hazards
- Select and record routes
- Prepare a heavy motor vehicle for use.

You can choose to further your learning by completing the National Certificate in Commercial Road Transport (Goods Service Senior Driver) (Level 4) which will enable you to:

- Demonstrate advanced driving techniques and a professional attitude to driving
- Mentor new drivers and be a role model
- Communicate effectively with colleagues and managers
- Apply organisational policies and procedures
- Manage a group of drivers and vehicles.

### A blended approach to learning

Written, practical, and workshop-based training resources are utilised to support a range of learning styles, making it enjoyable and easier to learn. You can also expect a combination of workplace learning, off-job training and self-motivated study to ensure that you become a knowledgeable, competent, and safe driver.

Support will be provided by your MITO Industry Training Advisor, workplace supervisor, and specialist trainers.

### Training fee

An annual training fee applies, please contact MITO for details.
