

Accelerate your career with a nationally recognised qualification!

## Get qualified with MITO

Move your career in the right direction with MITO's Relocation Operations programmes.

These programmes are designed for those employed in either the international or domestic sector of the relocations industry.

## Gain a national qualification

Choose to complete one or both of the following qualifications:

- National Certificate in Domestic Relocations Operations (Level 2)
- National Certificate in International Relocations Operations (Level 2).

It is expected to take 12 months to complete each programme.

## Designed by industry, for industry.

### Programme outline

These programmes cover:

- Preparing and planning for a relocation operation
- Packing and wrapping
- Stowing
- Load handling
- Using standard units of measurement
- Health and safety
- Customer service.

### A blended approach to learning

Both written and practical training resources support a range of learning styles, making it enjoyable and easier to learn. You can expect a combination of workplace learning, off-job training and self-motivated study.

Support will be provided by your MITO Industry Training Advisor, workplace supervisor and specialist trainers.

### Training fee

An annual training fee applies, please contact MITO for details.

### Sign me up!

If you are currently employed in the relocations industry and your employer is able to support your training programme, contact MITO to get on your way to being a safe and efficient removalist.
